

APPLICATIONS FOR 2017 SUMMER INTENSIVE PROGRAM NAGOYA UNIVERSITY, JAPAN

Submission of undergraduate and postgraduate applications for the above program is now open and will proceed as follows:

1. Each applicant must provide the following to Mr. David Duong at the Graduate Office by **February 16, 2017, 9 AM**, the latest:
 - Completed application package from NUSIP (Application forms can be found here: <http://www.engg.nagoya-u.ac.jp/en/nusip/application.html>)
 - Statement of Purpose
 - Statement indicating how they will meet the course fees, flights, local transport and their living expenses in Japan
 - Letter of support from Supervisor (if you are a graduate student conducting research)
 - A brief about your current research project or past experience/proof of interest in the car industry (if applicable)
2. Depending on the number of applicants, a priority list may be necessary.
3. The list of applicants or the priority list, if needed, will then be submitted to Nagoya University for their final selection.

You will be contacted for a brief interview with Professor Shaker A. Meguid after your package is submitted.

IMPORTANT INFORMATION

Please **do not submit** your applications to Nagoya University directly, as this will place unnecessary burden on them.

Submit your package in an envelope to **David Duong** (MC108 – Graduate Office).

Applications received outside deadline date **will not** be considered.

For more information regarding the program please visit:

www.engg.nagoya-u.ac.jp/en/nusip/application.html

Please contact david@mie.utoronto if you have any questions.
