NOTES:

- 1) RA rates are fixed for two (MAsc) or four (PhD) years, while the MIE Fellowship rates are for the first year only. In subsequent years, the fellowship contribution will increase to accommodate increasing tuition and fees.
- 2) MIE named fellowship awardees will have their total funding increased by upto \$3,000 more than the minimum funding level; remaining funds will be used to equally reduce RA and MIE fellowship contributions.
- 3) Students who are awarded other external scholarships not listed here (> \$3,000) will have their total funding increased by at least \$3,000 more than the minimum funding level; RA and MIE fellowship contributions will be reduced equally.
