NOTES:

- 1) The Professor can provide more than the minimum RA stated in this document.
- 2) For scholarships up to the **base**, the student's total funding will increase by the **base**.
- 3) For scholarships above the **base**, the student's total funding will increase by the **base** plus a third of the amount above the **base**. RA and MIE fellowship contributions will then be reduced equally.
- 4) Foreign government scholarships for international students will first reduce the MIE fellowship by that amount. Then the min RA will be reduced.
- 5) Multiple scholarships are added together when funding is considered
