MIE498H1: Research Thesis 2023-2024

Supervisor	Mariano Consens
Supervisor email	consens@mie.utoronto.ca
Number of Positions	2
Open to	Undergraduate Mechanical Engineering Students
Term Offered	Full-Year (Y)
Research Area	Information Engineering
Research Topic	Deep Learning

Project Description

Deep Learning for Hyperspectral Image Analysis in Mineral Mining

Additional Information	n/a
Application Instructions	Please submit CV, unofficial transcript, and a paragraph describing background and your interest in the project to Prof. Mariano Consens (consens@mie.utoronto.ca)
